

★★ OUR ★★ MILITARY KIDS

**HONORING THEIR SERVICE AND SACRIFICE,
ONE ACTIVITY AT A TIME.**

★ WHO WE ARE

Our Military Kids is a national nonprofit organization recognizing the sacrifice and challenges military children and teens face while having a parent who is deployed with the National Guard, deployed with the Reserve, or recovering from post-9/11, combat-related injuries by offering extracurricular activity scholarships that build their confidence, enhance overall family wellness, and strengthen a shared sense of community during an otherwise difficult time in their lives.

These activity scholarships allow military children and teens (ages 3-18) the opportunity to choose the after-school activity of their dreams, whether it's ice skating, horseback riding, theater camp, or the robotics team. Our Military Kids will help cover the cost!
